Board of Directors

President-
Erica Heitmann

In our local community, there are few things more important than fostering our local sports teams. Playing sports promotes communication and team building skills, establishes work ethic, and fosters a sense of family and community. In addition for girls who play sports, they have higher levels of confidence and self esteem, as well as a more positive body image.

Carrie Graue

Tanque Verde Fastpitch (TVFP) is a 501(c)(3) organization that provides girls between the ages of 4 ½ and 14 years old, a safe place to be physically active and make connections with their peers. Our mission is to give every girl in the community the opportunity to learn teamwork, gain confidence, and learn the game of softball in a safe and positive environment. In order to be successful, we rely heavily on donations from our community.

A typical season yields approximately 100-120 girls with each team playing between eight and twenty games here in Tucson. As you can imagine, with that many players each season, our equipment becomes well used. The level of commitment to the league requires a significant amount of equipment (tees, nets, softballs) in addition to fields, umpires, and uniforms, which cannot be supported by registration fees alone each season. Furthermore, as our organization has grown considerably over the years, we are expanding resources for our league by building batting cages on site and improving field conditions.

Brittan Foster

Umpire in Charge-
Karin Beckering

If you know of a company or individual that would be interested in serving as an official league or team sponsor, we are actively searching for supporters.

In return TVFP would feature your company as our sponsor at the levels noted on the Sponsorship Form. TVFP would be happy to start a partnership at any level! However, contributions at the amounts listed would help us fund much needed equipment and resources for our girls. These sponsorships would help your organization gain exposure among not only TVFP parents, but also the broader Tucson area.

Thank you for considering sponsoring TVFP and our girls this year!
